

Consultancy, Research and Excellence Center - (CORE)

Overview of CORE Center

CORE is the consulting arm of Corporate Excellence Masters International (CMI). The center offers integrated consultancy services enabling your organization, whether it is a government or private entity, to achieve its respective organizational objectives and to exceed your expectations.

Committed to and inspired by **CMI's** core values; **CORE** has been instrumental to many partners success in overcoming business and managerial challenges. Similarly quality of services and deliverables is an uncompromised principle at **CORE**.

Moreover, knowledge transfer and empowerment of your employees and young professionals constitute another value proposition offered by **CORE**.

Since **CORE** is part of **CMI** which is based in Abu Dhabi – UAE; **CORE** has carefully aligned its service offerings to the **UAE's** Vision **2021** and Abu Dhabi Vision **2030**. This has been achieved in many ways to fuel and supply the required individual and organizational capacity to create and maintain a knowledge-based, sustainable economy in Abu Dhabi in particular and the **UAE** in general.
